

Best Bets in Beauty

As summer ends this month, so too does the season's effortless beach beauty. We're ready for the **more polished looks of autumn.**—*Sheri Radford*

LIP BALM Lock in your lips' moisture while remembering to "keep calm and love." Rimmel's other cheerful balms have reminders to kiss, play, party, shop and rock. At London Drugs (page 23).

NAIL COLOUR REMOVER

If you like how long Shellac lasts, but not how hard it is to remove, then try Offly Fast from CND. This kit gets rid of nail colour in just eight minutes. Find it online at www.cnd.com.

DRY SKIN KIT If your skin is prone to tightness and dryness, then this is the kit for you. Dermalogica has grouped together all the travel-sized products your skin needs most. At BeautyMark (page 21) and Suki's (page 28).

TWEEZERS No one ever said beauty tools had to be boring. The Revlon Marchesa Runway Collection Slant Tweezer looks good while making you look good. At London Drugs (page 23).

LIQUID EYELINER Even if you're not a certified klutz, EyeInk from Annabelle is invaluable. This liquid liner makes it simple to create a precise line, every time, and it's long-lasting. At London Drugs (page 23).

VITA E HYDRO GEL MASK SHEET

Want to invigorate, strengthen and moisturize your skin? Easy. Just apply this mask sheet to your face, wait 30 minutes and remove. It's like a facelift in a pouch. At The Face Shop (page 21).

EYE ART Make your peepers pop with Revlon's Photoready Eye Art. This shadow duo uses satin and sparkle on your lids and lashes to create an eye-catching look that's unique to you. At London Drugs (page 23).
