

New & Notable

These great products will help you look (and feel) your best.

A team of Canadian women in STEM (Science, Technology, Engineering and Math) created Veriphy Skincare, which uses plant-based phytohyalogen to deliver impressive results. Order the eye cream, moisturizer and serum at www.veriphyskincare.com.

Vichy LiftActiv Collagen Specialist contains peptides, vitamin C and thermal water, to fight the signs of aging. At Shoppers (page 51).

NeoStrata makes seven different collections, to address every skin type and concern. The Restore line is especially good for sensitive or reactive skin. At Shoppers (page 51).

Daily Vitamin C from Omorovicza is a brightening serum that protects the skin and stimulates collagen production. At Nordstrom (page 23).

Rah, rah, sis boom bah! Each Cheekleaders palette from Benefit contains five full-sized blushes and bronzers. At Sephora (page 50).

At Volition Beauty, consumers get to vote on which products should be made. Find the eye gel, water serum and brightening polish at Sephora (page 50), or the full line of products at www.volitionbeauty.com.
