

Fair Fun

Tops on our list of summertime activities is visiting The Fair at the PNE (Aug. 22 to Sep. 7; page 72), with its **impossible-to-resist deep-fried foods**, **outdoor concerts** and **hair-raising rides**. New this year: The Beast (**pictured**). This scream-inducing ride has speed, height and both side-to-side and circular motion. Who can resist?

Best of the Fests

Once again, summer's hot-test ticket is for the Squamish Valley Music Festival (Aug. 7 to 9; page 73). The **stellar line-up** features headliners Sam Smith, Mumford & Sons, and Canada's own Drake (**pictured**), plus a whole host of other acts: Of Monsters and Men, Alabama Shakes, Brandon Flowers, Kaskade and more. It's **three days of fun in the sun** against a stunning natural backdrop.

DINOSAUR DELIGHTS

Meet Giganotosaurus (**pictured**), Malawisaurus and other **prehistoric creatures you've most likely never heard of before**. Running until Sep. 7 at Science World (page 77), *Ultimate Dinosaurs* features creatures that evolved in isolation in South America, Africa and Madagascar.
