Big Sounds

When it's not filled with Vancouver Canucks (page 27) home games, Rogers Arena hosts some of the biggest concerts around. This winter sees a **steady stream of music juggernauts raising the roof** at the arena: Keith Urban (Jan. 15), Justin Timberlake (Jan. 16), Demi Lovato (Feb. 9), Imagine Dragons (Feb. 10), Miley Cyrus (Feb. 14), and Paul Simon and Sting (Feb. 20). Concert listings start on page 24.

Monster Truck Mania

Grave Digger (**pictured**), Northern Nightmare, Double Trouble and their gargantuan brethren roar into town Feb. 1 as the Maple Leaf Monster Jam (page 23) takes over BC Place. This **family-friendly evening of speed and power** really puts the pedal to the metal as the trucks crush cars and perform mind-boggling stunts. Who will be this year's master of destruction?
