

## Long Live the King

For eight blood-soaked seasons, we've watched Cersei Lannister, Stannis Baratheon and many, *many* others battle over the Iron Throne. Last month, the final episode aired and—spoiler alert—the throne itself melted. To mark the end of an era (and the end of HBO's most popular show ever), local company Pyrrha released four new talismans in its *Game of Thrones* collection. The pieces honour (pictured above, from left to right) Daenerys Targaryen, Jon Snow, Brienne of Tarth and the Three-Eyed Raven. Pyrrha's full *GoT* collection includes pendants, rings, bracelets and necklaces featuring everything from House Stark's direwolf to House Tyrell's shield. And if you're still despondent over the show's finale, simply repeat to yourself the motto of House Martell: "Unbowed, Unbent, Unbroken."
