### Branca

Aesthetics unite with essentials in Branca's sofas, chairs, tables, and sideboards. The Portuguese furniture maker pairs the best of old and new—traditional craftsmanship and the latest digital production tools—to produce pieces such as the minimalist Skin chair, with its colourful lacquer finish.

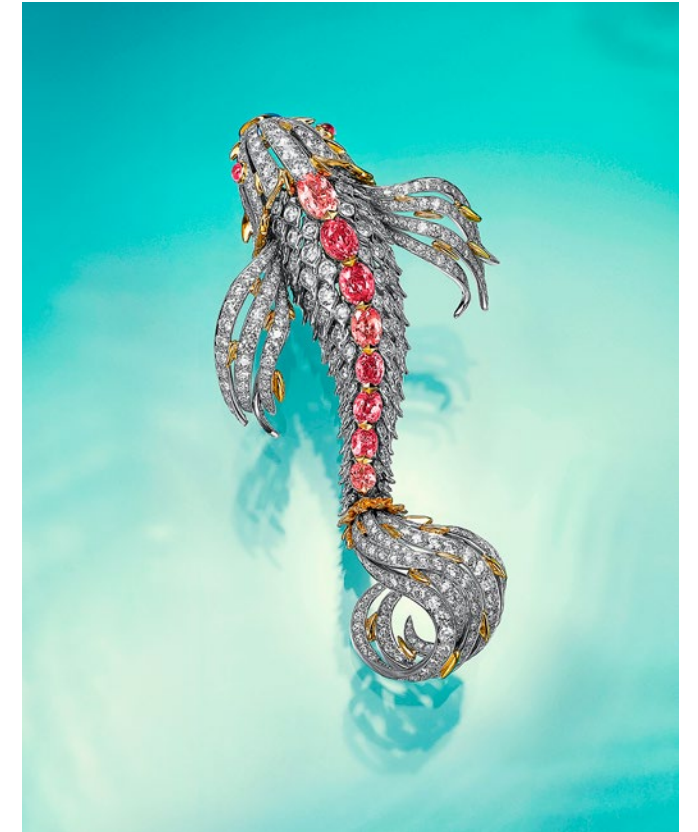

### Veronica Beard

The Veronica Beard label was founded by Veronica Miele Beard and Veronica Swanson Beard, two sisters-in-law who share both a name and a vision: cool classics for women. The Resort 2024 collection, launching in November, deftly mixes tailoring with textures, resulting in a subtle 1960s vibe.

### Defunc

Scandinavian design meets powerful audio in Wi-Fi speakers from Defunc Home. Each one has a replaceable, customizable front, allowing the speaker to blend in with any decor—or to truly stand out.

### Tiffany & Co.

From jellyfish to sea stars, the ocean's most captivating creatures sparkle in Tiffany & Co.'s new high jewellery collection. Out of the Blue celebrates and updates aquatic designs by the legendary Jean Schlumberger.
