

## Perfect Pals

If diamonds really are a girl's best friend, then prepare to meet your new BFF at Tiffany & Co. (page 30). The Alberni Street location of the beloved jewellery store is hosting a very special visitor: the Tiffany Diamond. It's one of the world's largest and finest fancy yellow diamonds, and it's on display until Jan. 4. The rare gem is an accomplished globetrotter, having previously left its home in New York to visit places such as Paris, Beijing and Dubai, as well as the Chicago World's Columbian Exposition in 1893. This could be the beginning of a beautiful friendship.

## Custom Cool

It used to be that only megastars such as Drake and Katy Perry could get customized Awards Jackets from Roots (page 24). Not so anymore. The iconic Canadian brand recently opened a new store in Pacific Centre that features a customization counter, one of just three in the world. Now you can select every detail, from the sleeve colour to the writing on the back to the embroidery on the inside. Consider it superstar treatment without a celebrity price tag.
