

Wine Wit

Whether you're a oenophile or a neophyte or something in-between, take note. Local label Brunette has discovered the perfect pairing for fall: a "Pinot Please" sweatshirt and an overflowing glass of wine. The shirt is even the exact right shade to hide any spills incurred while sipping. Find the sassy shirt at Brunette (page 26) or Nordstrom (page 29), then head to Legacy Liquor Store (page 33) for a vast selection of vino. Cheers!

Twice as Nice

No one likes the endless wait at the baggage carousel. Skip all the hassle with the new Ozone Duplex from Osprey. This two-in-one design combines a full-sized daypack with a carry-on-sized cargo bag. Sporting a lightweight frame, the daypack can hold all your valuables and stay by your feet on the plane, while the cargo bag full of clothes and gear gets stashed in the overhead bin. The two bags clip together easily or can be used separately. Pick up this doubly clever creation at MEC (page 34).
